Re: *Re: Marcial v. New Hudson Family Restaurant Inc. et al.*
Case Number 18-cv-00663-PMH-JCM
Defendants' emergency request for a 2-day extension of the
deadline for both sides' pre-trial submissions
Original date: January 25, 2021
Reason: Death in defendants' attorney's family
No. previous requests: None
Adversary's position: Consents
Pre-trial conference: March 3, 2021

Your Honor:

I write on behalf of the defendants to request a two-day extension of time, through January 27, 2021, for both sides to file pretrial documents (motions *in limine*, voir dire, requests to charge, proposed verdict form, and pretrial memoranda).

The reason for the request is a death in the defendants' attorney's family on Friday, taking defendants' attorney's time for the past week and weekend, interrupting defendants' attorney's preparation time.

Plaintiffs consent to a mutual two-day extension of time through January 27, 2021, and that is what defendants request.

This is the first request for an extension of time of this deadline. Defendants believe it will not affect any other deadlines; the pretrial conference is scheduled for March 3, 2021.

Thank you.
